LEGISLATIVE COUNSEL'S DIGEST

SB 93, as amended, Committee on Budget and Fiscal Review. ~~Local Revenue Fund 2011. Health and human services.~~

*Existing law provides for the In-Home Supportive Services (IHSS) program, under which, either through employment by the recipient, or by or through contract by the county, qualified aged, blind, and disabled persons receive services enabling them to remain in their own homes. Counties are responsible for the administration of the IHSS program. Under the Medi-Cal program, similar services are provided to eligible individuals, with these services known as personal care option services.*

*Existing law authorized an individual who was eligible for IHSS services in the 1992–93 fiscal year, and who had his or her services reduced pursuant to specified provisions, but who believed that he or*

*she was at serious risk of out-of-home placement unless all or part of the reduced hours were restored, to apply for an IHSS Care Supplement, as prescribed.*

*Existing law established a similar reduction in authorized IHSS service hours, which becomes operative only if a specified medication machine pilot project does not achieve a designated amount of savings to the General Fund, as determined by the Department of Finance, and also authorizes an individual whose services have been reduced, and who believes that he or she is at serious risk of out-of-home placement, to submit an IHSS Care Supplement application, in accordance with specified provisions, in order to have all or part of the service hour reduction restored.*

*Existing law also requires the department to implement a 3.6% reduction in service hours to each IHSS recipient, until July 1, 2012.*

*Existing law, effective January 1, 2012, imposes an additional 20% service hour reduction on IHSS recipients, which would be operative only if a designated provision of the Budget Act of 2011 is operative, and establishes an IHSS Care Supplement process for any individual who is notified of a reduction in service hours under the bill, but who believes he or she is at serious risk of out-of-home placement unless all or part of the reduction is restored.*

*This bill would make technical and clarifying changes to the above-described provisions.*

*This bill would appropriate \$1,000 to the State Department of Health Care Services for administration.*

*This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.*

~~(1) Existing law, enacted by Chapter 15 of the Statutes of 2011, provides that a felony is a crime that is punishable by death, by imprisonment in the state prison, or, notwithstanding any other provision of law, by imprisonment in a county jail for more than one year. Existing law provides that these provisions shall become operative no earlier than July 1, 2011, and only upon the creation of a community corrections grant program to assist in implementing the act and upon an appropriation to fund the grant program.~~

~~This bill would establish the Community Corrections Grant Program for the purpose of funding various changes to the criminal justice system as required by Chapter 15 of the Statutes of 2011. The bill would create the Local Revenue Fund 2011 in the State Treasury, and would create the Trial Court Security Account, the Local Community Corrections~~

~~Account, the Local Law Enforcement Services Account, the Mental Health Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, the Health and Human Services Account, and the Reserve Account within the Local Revenue Fund 2011. The bill would require moneys from specified tax sources and other moneys that may be specifically appropriated to be deposited in the Local Revenue Fund 2011 and would provide that the fund is continuously appropriated, thereby creating an appropriation.~~

~~The bill would require that moneys in the Local Community Correction Account within the Local Revenue Fund 2011 be used to fund the Community Corrections Grant Program, and would provide that the appropriation out of that account on October 1, 2011, shall constitute an appropriation to fund the Community Corrections Grant Program, consistent with the provisions of Chapter 15 of the Statutes of 2011. The bill would require that moneys deposited in the Local Revenue Fund 2011 also be available to reimburse the General Fund and the state for certain costs, as specified.~~

~~The bill would require each county treasurer, city and county treasurer, or other appropriate officer to create a County Local Revenue Fund 2011 for the county or city and county, and to create the Local Community Corrections Account, the Trial Court Security Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, the Health and Human Services Account, and the Supplemental Law Enforcement Account within the County Local Revenue Fund 2011 for the county or city and county. The bill would require that moneys in each County Local Revenue Fund 2011 for the county or city and county and its accounts shall be used exclusively for Public Safety Services, as defined, and for specific services, including funding grants solely to enhance the capacity of county probation, mental health, drug and alcohol, and other county departments to provide appropriate rehabilitative, housing, and supervision services to youthful offenders. By creating new duties for local governments to administer funds and implement the act, this bill would create a state-mandated local program.~~

~~The bill would, for the 2011–12 fiscal year, require the Controller to allocate on a monthly basis a specified amount, of the revenues received in the Local Revenue Fund 2011, into the Mental Health Account of the Local Revenue Fund 2011, the Local Law Enforcement Services Account, the Trial Court Security Account, the Local Community Corrections Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, and the Health and Human~~

~~Services Account. Any remaining funds would be allocated to the Reserve Account to reimburse a county or city and county for adoption assistance, foster care, and Drug Medi-Cal services, as specified.~~

~~The bill would provide for a monthly allocation from the Mental Health Account to the Mental Health Subaccount and would provide that, notwithstanding any other law, funds that would have been otherwise deposited into the Mental Health Subaccount shall instead be deposited in the Social Services Account, to be used by each county and city and county that receives an allocation to pay an increased county share of CalWORKs grant costs.~~

~~(2) Existing law provides that a county may impose a fee upon a city, special district, school district, community college district, college, or university for reimbursement of county expenses incurred with respect to the booking or other processing of persons arrested by an employee of that city, special district, school district, community college district, college, or university, where the arrested persons are brought to the county jail for booking or detention. Existing law permits all counties and cities and counties that have charged these fees to apply to the Controller to receive funding that is equal to the fee revenue received by the county, city and county, or city during the 2006–07 fiscal year, to the extent that funding is appropriated therefor in the annual Budget Act or other appropriation legislation. Existing law provides that these payments shall be fully funded from the Local Safety and Protection Account in the Transportation Tax Fund and requires the Controller to allocate 6.26% of the moneys annually deposited in the Local Safety and Protection Account for these purposes.~~

~~This bill would instead, commencing with the 2011–12 fiscal year, require these payments to be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011 and would require the Controller to allocate a specified amount of the moneys annually deposited in the Local Law Enforcement Services Account for purposes of the above payments.~~

~~(3) Existing law requires that each county treasurer establish a Supplemental Law Enforcement Services Fund to fund specified local programs related to corrections. Existing law specifies how money received by the fund shall be allocated, and requires that 50% be allocated to the county or city and county to implement a comprehensive multiagency juvenile justice plan and to the Corrections Standards Authority for administration purposes. Existing law requires that~~

~~programs related to this fund be funded from the Local Safety and Protection Account in the Transportation Fund.~~

~~This bill would delete the provision permitting the allocation to the Correction Standards Authority. This bill would instead provide that, commencing with the 2011–12 fiscal year, these programs would be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011, as specified.~~

~~(4) Existing law requires that the Local Assistance for Rural and Small County Law Enforcement program be funded from the Local Safety and Protection Account in the Transportation Fund.~~

~~This bill would, commencing with the 2011–12 fiscal year, require the program to be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011, as specified.~~

~~(5) Existing law, until July 1, 2013, allows a charge of \$40 to be imposed on every conviction for a criminal offense, as provided, to ensure adequate funding for court security. As of July 1, 2013, existing law authorizes a charge of \$30.~~

~~This bill would revise these provisions and allow an assessment to be charged, in the same amounts, to assist in funding court operations, as provided.~~

~~(6) Existing law provides for the allocation of funds deposited in the Local Safety and Protection Account in the Transportation Fund to the California Emergency Management Agency, for distribution to 10 designated programs, as provided.~~

~~This bill would provide that, commencing with the 2011–12 fiscal year, the Controller shall allocate a specified percent of the amount deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 to the California Emergency Management Agency, for distribution to 6 of those programs, as provided.~~

~~(7) Existing law requires the Controller to allocate specified percentages of the amounts deposited in the Local Safety Protection Account in the Transportation Fund to be used to serve children who are habitual truants, runaways, at risk of being wards of the court, or under juvenile court supervision or supervision of the probation department, as provided.~~

~~This bill would, commencing with the 2011–12 fiscal year, require the Controller to allocate 33.38% of the funds deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 for these purposes. The bill would require the Controller, on a quarterly basis, to allocate 6.47% of those funds to the Department of Corrections~~

and Rehabilitation, and would require the department to allocate funds appropriated in the annual Budget Act and included in the Local Law Enforcement Services Account among counties that operate juvenile camps and ranches, as provided.

~~(8) Existing law imposes state sales and use taxes on retailers and on the storage, use, or other consumption of tangible personal property in this state at the combined rate of 7  $\frac{1}{4}$ % of the gross receipts from the retail sale of tangible personal property in this state, and of the sales price of tangible personal property purchased from any retailer for storage, use, or other consumption in this state. Existing law requires that all revenues derived from a 6% rate of that tax, except as provided, to be deposited in the State Treasury to the credit of the Retail Sales Tax Fund.~~

~~This bill would require the amount of those revenues, net of refunds, collected and attributable to a rate of 1.0625% to be deposited in the State Treasury to the credit of the Local Revenue Fund 2011, a continuously appropriated fund, and to be used exclusively for public safety purposes. The bill would additionally require the amount of revenues derived from any tax or tax increase enacted after July 1, 2011, that is deposited in the Local Revenue Fund 2011 to be applied to reduce the amount otherwise required to be deposited in that fund from the amount attributable to the 1.0625% rate, as specified.~~

~~(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

~~The bill would further provide that if reimbursement is required, it shall first be paid from the County Local Revenue Fund 2011 to the fullest extent possible.~~

~~(10) This bill would declare that it is to take effect immediately as an urgency statute and as a bill providing for appropriations related to the Budget Bill.~~

State-mandated local program: *yes-no*.

*The people of the State of California do enact as follows:*

1     *SECTION 1. Section 12301.07 of the Welfare and Institutions*  
2     *Code, as added by Section 2 of Chapter 34 of the Statutes of 2011,*  
3     *is amended to read:*

4     12301.07. (a) (1) Notwithstanding any other provision of law,  
5     if *subdivision (b) of Section 3.94 of the Budget Act of 2011*  
6     ~~becomes~~ *is* operative, the department shall implement a 20-percent  
7     reduction in authorized hours of service to each in-home supportive  
8     services recipient as specified in this section, effective January 1,  
9     2012, which shall be applied to the recipient's hours as authorized  
10    pursuant to his or her most recent assessment.

11    (2) The reduction required by this section shall not preclude  
12    any reassessment to which a recipient would otherwise be entitled.  
13    However, hours authorized pursuant to a reassessment shall be  
14    subject to the reduction required by this section.

15    (3) For those recipients who have a documented unmet need,  
16    excluding protective supervision, because of the limitations  
17    contained in Section 12303.4, this reduction shall be applied first  
18    to the unmet need before being applied to the authorized hours. If  
19    the recipient believes he or she will be at serious risk of  
20    out-of-home placement as a consequence of the reduction, the  
21    recipient may apply for a restoration of the reduction of authorized  
22    service hours, pursuant to subdivision (f).

23    (4) A recipient of services under this article may direct the  
24    manner in which the reduction of hours is applied to the recipient's  
25    previously authorized services.

26    (5) The reduction in service hours made pursuant to paragraph  
27    (2) shall not apply to in-home supportive services recipients who  
28    also receive services under Section 9560, subdivision (t) of Section  
29    14132, and Section 14132.99.

30    (b) The department shall work with the counties to develop a  
31    process to allow for counties to preapprove IHSS Care Supplements  
32    described in subdivision (f), to the extent that the process is  
33    permissible under federal law. The preapproval process shall be  
34    subject to the following conditions:

35    (1) The preapproval process shall rely on the criteria for  
36    assessing IHSS Supplemental Care applications, developed  
37    pursuant to subdivision (f).

1 (2) Preapproval shall be granted only to individuals who would  
2 otherwise be granted a full restoration of their hours pursuant to  
3 subdivision (f).

4 (3) With respect to existing recipients as of the effective date  
5 of this section, all efforts shall be made to ensure that counties  
6 complete the process on or before a specific date, as determined  
7 by the department, in consultation with counties in order to allow  
8 for the production, printing, and mailing of notices to be issued to  
9 remaining recipients who are not granted preapproval and who  
10 thereby are subject to the reduction pursuant to this section.

11 (4) The department shall work with counties to determine how  
12 to apply a preapproval process with respect to new applicants to  
13 the IHSS program who apply after the effective date of this section.

14 (c) The notice of action informing each recipient who is not  
15 preapproved for an IHSS Care Supplement pursuant to subdivision  
16 (b) shall be mailed at least 15 days prior to the reduction going  
17 into effect. The notice of action shall be understandable to the  
18 recipient and translated into all languages spoken by a substantial  
19 number of the public served by the In-Home Supportive Services  
20 program, in accordance with Section 7295.2 of the Government  
21 Code. The notice shall not contain any recipient financial or  
22 confidential identifying information other than the recipient's  
23 name, address, and Case Management Information and Payroll  
24 System (CMIPS) client identification number, and shall include,  
25 but not be limited to, all of the following information:

26 (1) The aggregate number of authorized hours before the  
27 reduction pursuant to paragraph (1) of subdivision (a) and the  
28 aggregate number of authorized hours after the reduction.

29 (2) That the recipient may direct the manner in which the  
30 reduction of authorized hours is applied to the recipient's  
31 previously authorized services.

32 (3) How all or part of the reduction may be restored, as set forth  
33 in subdivision (f), if the recipient believes he or she will be at  
34 serious risk of out-of-home placement as a consequence of the  
35 reduction.

36 (d) The department shall inform providers of any reduction to  
37 recipient hours through a statement on provider timesheets, after  
38 consultation with counties.

39 (e) The IHSS Care Supplement application process described  
40 in subdivision (f) shall be completed before a request for a state

1 hearing is submitted. If the IHSS Care Supplement application is  
2 filed within 15 days of the notice of action required by subdivision  
3 (c), or before the effective date of the reduction, the recipient shall  
4 be eligible for aid paid pending. A revised notice of action shall  
5 be issued by the county following evaluation of the IHSS Care  
6 Supplement application.

7 (f) Any aged, blind, or disabled individual who is eligible for  
8 services under this chapter who receives a notice of action  
9 indicating that his or her services will be reduced under subdivision  
10 (a) but who believes he or she is at serious risk of out-of-home  
11 placement unless all or part of the reduction is restored may submit  
12 an IHSS Care Supplement application. When a recipient submits  
13 an IHSS Care Supplement application within 15 days of receiving  
14 the reduction notice or prior to the implementation of the reduction,  
15 the recipient's in-home supportive services shall continue at the  
16 level authorized by the most recent assessment, prior to any  
17 reduction, until the county finds that the recipient does or does not  
18 require restoration of any hours through the IHSS Care Supplement.  
19 If the recipient disagrees with the county's determination  
20 concerning the need for the IHSS Care Supplement, the recipient  
21 may request a hearing on that determination.

22 (1) The department shall develop an assessment tool, in  
23 consultation with stakeholders, to be used by the counties to  
24 determine if a recipient is at serious risk of out-of-home placement  
25 as a consequence of the reduction of services pursuant to this  
26 section. The assessment tool shall be developed utilizing standard  
27 of care criteria for relevant out-of-home placements that serve  
28 individuals who are aged, blind, or who have disabilities and who  
29 would qualify for IHSS if living at home, including, but not limited  
30 to, criteria set forth in Chapter 7.0 of the Manual of Criteria for  
31 Medi-Cal Authorization published by the State Department of  
32 Health Care Services, as amended April 15, 2004, and the IHSS  
33 uniform assessment guidelines.

34 (2) Counties shall give a high priority to prompt screening of  
35 persons specified in this section to determine their need for an  
36 IHSS Care Supplement.

37 (g) (1) Notwithstanding the rulemaking provisions of the  
38 Administrative Procedure Act (Chapter 3.5 (commencing with  
39 Section 11340) of Part 1 of Division 3 of Title 2 of the Government  
40 Code), the department may implement and administer this section

1 through all-county letters or similar instruction from the department  
2 until regulations are adopted. The department shall adopt  
3 emergency regulations implementing this section no later than  
4 March 1, 2013. The department may readopt any emergency  
5 regulation authorized by this section that is the same as or  
6 substantially equivalent to an emergency regulation previously  
7 adopted under this section.

8 (2) The initial adoption of emergency regulations implementing  
9 this section and the one readoption of emergency regulations  
10 authorized by this subdivision shall be deemed an emergency and  
11 necessary for the immediate preservation of the public peace,  
12 health, safety, or general welfare. Initial emergency regulations  
13 and the one readoption of emergency regulations authorized by  
14 this section shall be exempt from review by the Office of  
15 Administrative Law. The initial emergency regulations and the  
16 one readoption of emergency regulations authorized by this section  
17 shall be submitted to the Office of Administrative Law for filing  
18 with the Secretary of State and each shall remain in effect for no  
19 more than 180 days, by which time final regulations may be  
20 adopted.

21 (h) If the Director of Health Care Services determines that  
22 federal approval is necessary to implement this section, this section  
23 shall be implemented only after any state plan amendments  
24 required pursuant to Section 14132.95 are approved.

25 ~~SECTION 1. This act is titled and may be cited as the 2011~~  
26 ~~Realignment.~~

27 ~~SEC. 2. Section 29553 of the Government Code is amended~~
